To Whom It May Concern::

I am writing to express my complete satisfaction with Rick Bonvie of Bonvie Realty & Development, as a Realtor. Throughout the entire process Rick was professional, conscientious, and extremely motivated. I felt as though I was Rick's only client.

Anytime a company looks to open a satellite location in a new market numerous concerns arise. All along the way, Rick answered each of these concerns honestly and objectively and we appreciated the integrity he showed. Upon making the decision to purchase the property at the Crossroads Park of Commerce we were confident in the decision we made. Rick truly was the ultimate professional.

I would be delighted to answer any specific questions regarding Bonvie Realty & Development. I can be reached at 561-392-1991.

Sincerely,
