RE: Sale of 4100 Galt Ocean Dr. Unit 1108, Fort Lauderdale, FL 33308

To Whom It May Concern:

We chose Rick Bonvie to list our home because we felt he would represent our best interests and that he had the warm, friendly personality that made the entire transaction smooth and easy. We knew he already had an excellent reputation for selling properties in our building and getting the highest price possible for his clients.

Rick is completely professional and trustworthy. Integrity is the foundation on which Rick builds his business. Friendly and welcoming. Open to questions, concerns and ideas.....no question too simple or obvious and responses are quick and thorough with clarity. He was always available when I had any questions and answered them with all the details I needed.

He made the process of selling our home a breeze. My family and I would highly recommend Rick for all your Real Estate needs!

Sincerely,
